The 4th Career Day Neuroscience 2018

The event holds in March 29th starting from 9:30 to 17:00 at Experimental auditorium (W 32). There will be a poster symposium in which students are able to present their research projects, a CV check that students can consult experts about their CVs, and eventually the Career Day will be finished with a little fun at the end, the science slam hold by Dr. Bianca Brüggen.

Confirmed Speakers:
Dr. Ulrike Brandt-Bohne (Science Communication)
Dr. Beate Grünberg (Science Management)
Prof. Dr. Esther Ruigendijk (Psycholinguistics & Academic Career Development)
Carina Sander (Neurorehabilitation)
Dr. Stefan Strahl (Hearing Devices)

Submit your posters by sending them to neuroscience-careerday@uni-oldenburg.de, also for more information please visit the website: neuroscience-careerday.uni-oldenburg.de, our facebook page facebook.com/CDNeuro2017OL or simply drop us an email.
